Amy J. Galatis is an experienced trial attorney who specializes in complex litigation. Amy spent 16 years in the Suffolk County District Attorney's Office, most recently assigned to the Homicide Unit where she handled dozens of high-profile murder cases that required sharp legal skills, excellent courtroom advocacy, sensitivity, and top-shelf organization skills.

Amy has now turned her attention and expertise to medical malpractice defense and the representation of individuals involved in wrongful death suits, criminal defense, and general civil litigation.
